fund from which they are to be paid". [sic]

8. That Sec 18 be amended so as to read "The Library Committee may employ one or two of the students of the University who may be recommended to them by the Librarian and Faculty, to take charge of the Library, and allow such student or students, such compensation as the Board may from year to year determine; provided, that the name and compensation of such assistants shall first be duly recorded by the Secretary of the Board before the term of such employment shall commence." [sic]

9. That all of section 21 from the words "Philosophical and chemical apparatus" to the words "and wants of the same" inclusive be stricken out and that the following be substituted, viz: "All scientific and mathematical apparatus shall be in the immediate care of the Professors of the departments to which they respectively belong, subject to the control of the Executive Committee. Each Professor shall at each annual meeting make to the Board a report of the condition of the apparatus in his department, specifying the additions and repairs needed."

10. That Sec 23 be amended so as to read "The salaries of the instructional force shall be fixed by the Board, and at each annual meeting the whole amount of money to be expended for such salaries shall be determined. Salaries shall not commence before the date of actual service employed and rendered, and shall be paid at the end of each calendar month, and all members of the instructional force are required to remain with the institution at the close of the collegiate year until the conclusion of commencement exercises."
