Board of Regents University of North Dak Dear Sir:
 The City Council when granting the petition of the
 Board of Regents for authority to tap the City
 Water Mains for a supply of water to the University
 also made provision that a copy of the plans
 and specifications should be filed of record
 with the City Clerk by said Board of Regents.
 You will please take notice and file the
 same before the Board commences work on
 its said main. This provision was made
 so that the plans and specifications should
 be a matter of public record and for the
 City Engineers guidance in his supervision
 of said work. Very respectfully WT Collins
 City Clerk having been presented the Secretary
 was instructed to file the copy as requested,
