Evening session.

Water works

The Board called to order with Regents Fulton, Roach, Teel and Twamley present. Prest. Twamley in the chair. On account of not having been able to have a satisfactory test of the water works action on that matter was deferred until to-morrow.

Deed of right of way procured [and symbol] resolution from Co. Comr's granting right of way for water works

The Secretary reported that as instructed he had procured deed of right of way from Miss. Budge [and symbol] Eshelman, and a resolution from the County Commissioners granting right of way, for the water works, as follows, viz:- Resolution Whereas The Regents of the University of North Dakota have petitioned this Honorable Body for the right to lay water main or pipe along a certain County Road It is hereby Resolved: - That we the Board of County Commissioners of the County of Grand Forks Dakota Territory do hereby Grant and Convey unto the Regents of the University of North Dakota their successors and assigns the right to enter upon the County road commencing at the termination of the street called Broadway in the City of Grand Forks Dakota Territory and extending to the East line of Section 5 Township 151 Range 50 and to excavate a trench along said road to lay water main or pipe therein and to fill the same\_ And be it further Resolved: - That the said the Regents of the University of North Dakota have full right and authority to at any time they may deem it necessary or expedient to do so. to enter upon said County Road and repair, replace or remove said water main or pipe. Provided Nevertheless that the said The Regents of the University of North Dakota shall after the placing of said water main or pipe or after said water main or pipe or any portion
