

162 [printed]

July 28" & 29" 1885.

Mill to attend to the testing of the water works.

On motion adjourned to meet at 10 o'clock,

A.M. to-morrow.

Here[lightly written diagonally in margin] Chas. S. Teel.

Secy.

Grand Forks, D.D. July 29" 1885.

The Board of Regents met in

adjourned session with Regents Fulton,

Roach, Teel and Twamley present. President

Twamley in the chair. On motion the

reading of the minutes is dispensed

with. Estimate #1. Thos Hennessey, plumb-

ing. All voting aye. Bill of Grand Forks Roller Mills

furnishing power for testing waterworks, \$3500 [superscript] , al-

lowed and voucher ordered drawn on the fund

for waterworks and plumbing. All voting aye.

On motion the Secretary was instructed to write

The Secretary of War in regard to furnishing the

University with an officer for instructor in

military affairs. On motion the report of

the City Engineer and Chairman of the City

Waterworks Committee as follows, viz:- Grand

Forks, Dak., July 29 1885.. We the undersigned,

do certify, that the waterworks extension known

as the University water mains, within the limits

of the City of Grand Forks D.T. have this day

stood at pressure test varying from 80 to 120 lbs

per square inch. Indicated by a guage at-

tached to sair mains, for a period of one

hour without any indication of leak, and

in our judgment, the work of laying the pipes

is well and properly done Signed this

29th day of July 1885 H Higgins Chairman

com- on water works W S Russell. City Engi

was accepted and adopted. All voting

aye. The bill of Geo H Walsh, balance on water

works contract \$2740., 20 ft extra pipe \$2500 [superscript] \$276500 [superscript]
