

residence for the professors and students prevailed, a record was then taken to look over the plans with professor Montgomery and architect Fisk.

The following changes in the original plan of the main building were suggested by Prof. Montgomery and architect Fisk and the same unanimously [sic] adopted by the Board: -

In the basement, in place of the dining room, a work room.

In place of the serving room, a room for implements.

In place of work room, a kitchen and in cellar, a janitor's residence.

On the first floor, instead of the plans arranged, a chapel in back rooms, a chemical lecture room with professor's private study, a Laboratory, Study Room, President's Room, Professor's of Natural Sciences and Prof. of Mathematics and English with private studies and cloak rooms.

On the second floor, Prof of Metaphysics, Prof. of Latin & Greek with private studies, Library, Reading room, museum And cloak rooms. On the third floor, Prof. modern languages and Prof. History with private studies, Halls for Literary and Scientific societies and Reading Rooms.

It was resolved by the Board to express their appreciation of the assistance rendered by Prof. H Montgomery in arranging the plans for the building, by extending him a vote of thanks, for which unanimously [sic] prevailed, Professor Montgomery of Toronto School of Medicine having made application for the Chairs of Natural Science, Regent C.E. Teel moved that he be encouraged to expect the position to the extent that where his services shall be needed, the Board make an effort to secure him to this position and for the position of Vice President of the if able Institution, to offer sufficient salary. This motion was unanimously [sic] carried.

Adjourned to meet at 4 o'clock P.M. of Saturday July 14, 1883.

F.W. Iddings, Secretary.
