

By Laws:

shall be in the immediate care of the Professors of the several departments to which they severally belong, subject to the control of the President, and the Professors shall from time to time make report to the Board, through the President, of the condition and wants of the same, and every Professor having charge of any apparatus, specimens, books, or collections of property, shall keep a book exclusively for the record of the same, recording therein all additions made thereto, whether by purchase, donation or exchange, and, so far as practicable, shall record the cost of such additions to the University. These records to be laid before the Board of Regents for inspection at the annual meeting.

Faculty & Instructional Force.

Sec. 22. The Faculty of the University shall consist only of the President of the University, and all duly elected professors, as may appear by the records of the Board of Regents, and the Board shall, from time to time appoint such other instructors as the University may require, such Faculty and instructors to constitute the instructional force.

Sec. 23. The salaries of the instructional force shall be fixed by the Board, and at each annual meeting the whole amount of money to be expended for such salaries shall be determined. Salaries shall not commence before the date of actual service employed and rendered, and shall be construed as terminating at the end of the collegiate year, irrespective of the date when the service commenced, and all members of the instructional force are required to remain with the institution at the close of the collegiate year until the conclusion of commencement
